Suicide Prevention Day at the Capitol

Join us! Meet with your state legislators to let them know why suicide prevention is important to you. Advocate for public policies that improve mental health and saves lives.*

Wednesday, February 26, 2020
7:30 AM - 12:30 PM

State Capitol Days bring together passionate volunteers to learn how they can advocate for state policy changes that will improve mental health and help prevent suicide in our state.

What you can expect:

- Training session on the basics of an effective advocacy visit and current policy issues
- Hear from experts who will talk about the state of mental health in Colorado
- Possible opportunity to meet with legislators and/or their staff to be a voice for suicide prevention in your community

Breakfast will be provided

**If you're not able to attend the event, you can stream the morning session via Facebook Live. Visit bit.ly/stateday2020*
